SDK-Dial-A-Pest exor

Gives SDK-DialA Pest More

The on-going customer service excellence programme at leading pest control provider SDK-DialA Pest continues with the award of the prestigious exor accreditation.

SDK-DialA Pest is one of the UK's leading domestic pest control providers and has a long, established reputation for promoting customer excellence throughout its organisation. Providing professional services to over 20 councils throughout Southern England, SDK-DialA Pest works to the highest standards and allies consideration to professionalism to ensure the public receives effective and reliable services at competitive prices at all times.

This latest accolade reflects SDK-DialA Pest's on-going commitment to provide services of the highest quality to the public throughout the year.

Achieving Exor Approved Status is a statement of quality that demonstrates financial viability, robust management procedures, competent administrative procedures, effective employment policies, competence/track record, environmental compliance and relevant certification and licensing.

This is the latest accreditation which underlines SDK-DialA Pest's commitment to provide customer excellence and outstanding services that match the company's ambitions.
